we offer up prayers for those we care for:**

Rev Ian (& Tabitha) as he 'steps back' for a few week to concentrate on his health; the family of Jean Kirton on her recent death; Sandy Dickson and her family following the recent deaths of her brother Nick and sister-in-law Corinne; Bronnie & Michael Bale as Bronnie recuperates from her operation; Joy Wilson

Father God

You have soothed us saying "do not worry about tomorrow". Thank you that you pour out your spirit upon us each new day and that your grace is sufficient for us each moment of our lives. Let us have peace in our hearts, the peace that surpasses all understanding and guards our hearts and minds.

Amen

Postcode for the start is BS35 1NR and Littleton-on-Severn is approximately a 15 minute drive from Chepstow.

CONTROLLING SLUGS AND SNAILS

Encourage predators – like birds, frogs, toads, beetles and hedgehogs, ducks and chickens

Trap under wet cardboard

Place a ring of wool pellets or coffee grounds around the plant

Sprinkle around the plant with a garlic solution

If you must kill them –

Slice in half - quick and humane

Beer trap - place a shallow container of beer in the ground

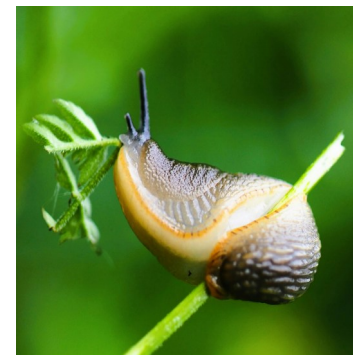

Water with nematodes every 6 weeks

Use pellets - organic iron phosphate pellets

Never -

Put salt on slugs – ruins the soil

Don't use pellets containing metaldehyde – poisonous to wildlife and pets (illegal in UK)
